IN INDIANAPOLIS, VETERAN HOMELESSNESS DECREASED 26 PERCENT!

But our mission is far from over!

Since 1993, HVAF has been helping homeless veterans return to self-sufficiency and engaging at-risk veterans and their families to prevent them from becoming homeless by providing supportive housing assistance, case management, employment support, therapy, and basic needs including food, hygiene, and clothing. In 2025, we served 1,359 veterans and provided over 43,000 life-changing services!

LETTER FROM THE CHAIRMAN

Michael Rodriques

Dear friends,

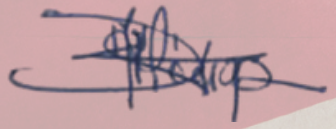

In 2017, I first encountered HVAF as I embarked on a search for veteran-focused nonprofits in which I could volunteer. What began as a one-time chance to serve veterans in the clothing and food pantries became a passion as I engaged with our brothers and sisters in need. Each week I volunteered to help veterans shop through the pantries, helping to meet their basic needs by providing food, clothing and hygiene items. I loved meeting the tangible needs of those who selflessly served our country!

When I was approached to join the Board of Directors, I eagerly accepted the opportunity to be more deeply involved with an organization making such a positive impact on our community. Over the last eight years, I've been part of challenging and rewarding times focused on ensuring that no hero is homeless on our streets. I've seen the agency grow and change, and during the fire on October 26, 2024, I was reminded of how truly dedicated our team is to those we serve.

In June 2024, I was honored to be selected as the Board Chairman for the next two years. I am eager to share with you my passion for the incredible work HVAF is doing to end veteran homelessness in our community. Last year, 1,359 veterans' lives were changed at HVAF by the over 43,000 services provided by our dedicated staff.

I want to thank you for your incredible support of our mission, to provide hope, housing and self-sufficiency for all veterans and their families. Without you, we would struggle to provide such high-quality services to the most vulnerable veterans in our community.

Respectfully,

LETTER FROM THE CEO

Emmy Hildebrand

Dear friends,

Looking back on 2025, I am amazed at what our team of dedicated staff accomplished. With your partnership, we provided a record number of services to veterans and families last year to help them reach self-sufficiency.

In 2025, HVAF provided over 43,000 services to 1,359 veterans. "Services" is a broad category that includes every case management interaction, pantry visit, and therapy session. With your support, we engaged every veteran entering our door to assess their needs and to provide the support needed to end their homelessness, help them find employment, provide for their basic needs, and provide mental health support.

As I said last year, with over 33 years of service to Hoosier veterans, we know the solution to homelessness is housing with supportive services. And, we proved it again this year, celebrating a 26% reduction in veteran homelessness. We are utilizing proven, effective housing solutions with supportive services to rapidly move veterans from homelessness to stable, permanent housing.

We started 2025 with the shell of a burned-out building, after the Manchester Apartments fire in October 2024. With your generosity, we worked quickly to renovate the building. In July, we celebrated the reopening of 23 units and by the end of the year, we made significant progress on the remainder of the building.

I am looking forward to writing to you next year to celebrate the complete reopening of Manchester Apartments. When we reopen, we will restore the 51 transitional housing beds that existed before the fire, but we will also open 14 new units of permanent housing for veterans and an expanded pantry space, to better meet the needs of veterans facing hunger in our city.

Every day, young men and women take an oath to protect and defend our nation. Every day, members of our military and their families make incredible sacrifices for our freedom. With your support, we are ensuring that every day, we honor their service.

Together, we will work tirelessly to ensure that no veteran is homeless on our streets.

Respectfully,

Rising From The Ashes: A Grand Reopening!

In the summer of 2025, the North Tower of Manchester Apartments reopened its doors, offering renewed hope and stability for veterans in need. The completion of this project represented a major milestone for HVAF, as we rebuilt a vital resource after the devastating October 2024 fire.

The North Tower includes significant improvements such as a fire safety systems, modern appliances, and upgraded electrical panels, ensuring a secure and comfortable living environment.

With the support of our community, including donors like you, these crucial renovations were completed in record time, allowing us to continue providing essential services to the people who served our country.

Since doors reopened in July 2025, we're proud to report that in its first year of operation, this restored space has already served 58 unique veterans.

HVAF is nearing the finish line on the reconstruction of the South Tower. Once complete, Manchester will have 14 more units than before the fire, 5 ADA equipped units, and an expanded food, hygiene, and clothing pantry to serve more veterans than ever before!

Manchester's First Move-In

Kenny, an Army veteran, was the first resident to move into the newly rebuilt North Tower of Manchester Apartments.

Kenny's journey is a powerful reminder that homelessness can happen to anyone. Despite holding a steady job, he found himself unable to make rent and, for the first time in his life, facing the overwhelming reality of homelessness.

But thanks to YOU, Kenny found the support he desperately needed!

His path back to stability began when HVAF's Street Outreach Coordinator met him on the streets.

> "So happy to have a place of my own"

That same day, Kenny was connected with an HVAF case manager who saw him as the perfect candidate for Manchester Apartments. Within hours, Kenny was handed the keys to his transitional housing unit, **a moment he described as "a Godsend."**

Today, we are overjoyed to share that after staying at Manchester for a few months, Kenny was able to **transition into his very own single-family home** on the Eastside.

You helped him achieve self-sufficiency!

HVAF Veteran Demographics

2025 FINANCIAL REPORT

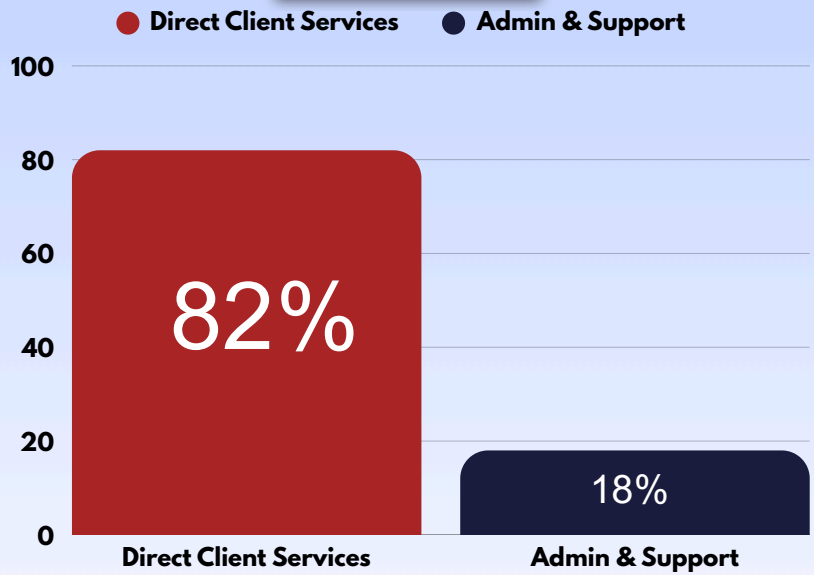

2025 was marked by continued strategic investment to further our mission of ending veteran homelessness! 82% of all funds expended last year went directly to veterans' services, ensuring that veterans facing homelessness received critical support to return to self-sufficiency.

We also continued investing in our facilities, including our buildings and our fleet vehicles. Each veteran served by HVAF is housed and transported in safe, accessible accommodations. Lastly, we continued reconstruction at Manchester Apartments, fully opening the North Tower in July 2025 with the full building scheduled to open in August 2026.

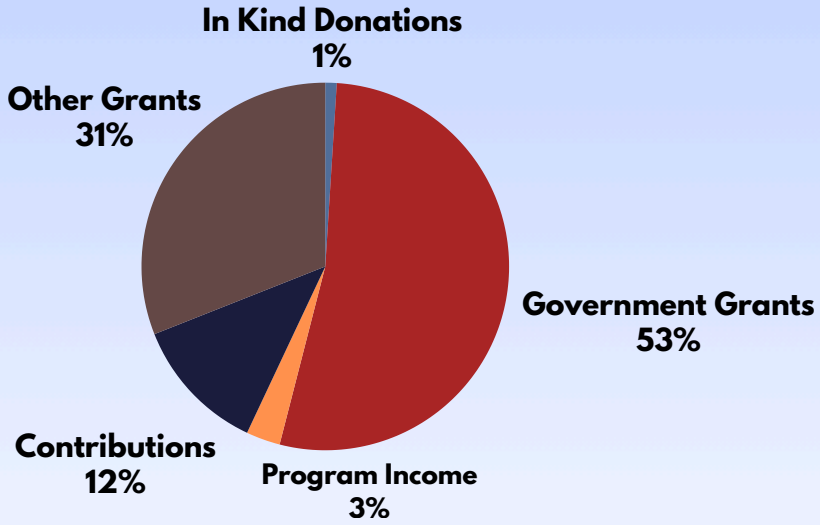

Thanks to our strategic program partners at the Lilly Endowment, Department of Veterans Affairs, Central Indiana Community Foundation, United Way of Central Indiana, the City of Indianapolis, the Indiana Housing and Community Development Authority, the Bob Woodruff Foundation, the Glick Fund, Nicholas H. Noyes, Jr. Memorial Foundation, Indiana Members Credit Union, and Ortho Indy Foundation for strategically supporting our mission. Together, we are ensuring that no veteran faces homelessness alone in our community.

Thanks to your generous support there was a 26% reduction in veteran homelessness in Indianapolis last year!

2025 CASH Revenues

A Family Uplifted!

Ben knows what it means to serve and sacrifice. For 17 years, he devoted his life to the Army, completing multiple tours in Iraq and Afghanistan, and was awarded a Purple Heart.

Yet, when Ben transitioned to civilian life, he found himself in a battle far different from those he faced in uniform. Struggling to find stability, Ben, his wife Brittany, and their two teenage children relocated to Indianapolis, hoping for a fresh start.

Instead, they found themselves in a desperate fight for survival – they were homeless, living out of a hotel, with the hotel's complimentary breakfast as their ONE AND ONLY MEAL EACH DAY!

Every day the family had to decide if their limited funds would be used for laundry, food, or to rent a vehicle so Ben could hold onto his job. Everything changed when Ben's wife reached out for help.

You not only provided them housing, you ensured they had food on their table and an advocate to provide them daily encouragement and supportive services through their dedicated case manager Anne – who they now consider family.

To top it all off, they were recipients of a donated car from generous donors who wanted to make a difference in a veteran's life! And that they did! Ben and his family are now living on their own, having achieved self-sufficiency.

Thank you for uplifting this family!

> "I don't have words for the impact, for my kids to have a safe place, I can see the change in them."

The Veteran Engagement Committee

Behind every smile at an HVAF Veteran Engagement event stands a group of dedicated staff, volunteers and members of the community who believe our heroes and their families deserve joy, connection, and community.

That's the heart of our Veteran Engagement Committee.

This committee comes together to plan meaningful experiences for veterans and their families, and last year was one of our best yet. Picture families coming together, laughing over friendly golf outings, exploring the sights and sounds of the Indiana State Fair, and little ones filling their bags at our "Spooktacular" trunk-or-treat. Each event, big and small, created life-long memories for these families!

None of this happens without you. Your generosity fuels these moments of belonging and celebration, turning ordinary days into something special for those who've given so much.

OPERATION ALPHA 2025

Presented by Harrah's HOOSIER PARK

Our Biggest Night Yet!

2025 was the BIGGEST & BESTEST Operation Alpha yet! A heartfelt thank you to our sponsors, community partners, and attendees who made this incredible night possible. A special thanks to Harrah's Hoosier Park for being presenting sponsor for the second year in a row.

We had a record number of sponsorships for Operation Alpha 2025, and this year, we exceeded our biggest fundraising goal to date, raising $260,000 for veterans in need!

The evening started with attendees enjoying Hotel Tango spirits, Upland beer, and wine from The Wine Group while participating in the Whiskey Pull, a wine toss game, and a silent auction!

Huge shoutout to our two veteran guest speakers: Shawnah and Monteque who both shared their heartwarming stories of how HVAF played a major role in their lives post military, setting them up for success and sustainability.

A SLAM-DUNK FOR VETERANS

Indiana Pacers guard Aaron Nesmith showed warmth and inspiration to our Hoosier Heroes! Last year, the holiday spirit arrived early for the veterans living at Warman Woods, HVAF's transitional housing property on Indianapolis's Near Westside, where male veterans work towards self-sufficiency.

Coming from a military family, Aaron felt compelled to give back to those who have sacrificed so much for our country. Aaron made a generous donation for renovations for each of the houses!

Thanks to his contribution, these houses were transformed with updated furniture and modern kitchen appliances, creating a fresh, welcoming environment where veterans can concentrate on rebuilding their lives.

Aaron's dedication didn't end there, he also joined the veteran residents for a festive Christmas dinner, taking time to share a meal, connect through stories, and offer his heartfelt support.

"We are so grateful to Aaron Nesmith. This partnership and the upgrades will bring marked improvement to the veterans we serve," said HVAF CEO Emmy Hildebrand.

Volunteer Spotlight: Grace Gives Back

Grace

For 2025, we are thrilled to highlight Grace, a person who continues to inspire us each and every day. Grace is a remarkable 16-year-old, who has spent the majority of her young life giving back to veteran causes, including HVAF. Her unwavering commitment to ending veteran homelessness is inspiring a new wave of young advocates, united in their mission to support our Hoosier Heroes.

At just eight years old, Grace realized she could make a real difference for veterans in her community. While most kids her age are asking for Barbies or video games for their birthday, Grace had a different ask in mind. Instead of gifts, Grace asked her friends and family to bring donations for homeless veterans instead of birthday presents.

"They protect our country every day; they keep us safe. So why wouldn't we help them when they need to be kept safe?"

As Grace grew, so did her passion for giving her back, and she continued those efforts every year!

A couple years ago, Grace set an ambitious goal to help the veterans YOU care so deeply about with a fundraiser for HVAF. She began speaking at churches and American Legion meetings, eventually leaning on her artistic skills to paint and sell colorful glass bottles and special-order Poppy designs.

The idea was to sell her art to raise money for HVAF, and that small idea grew to something huge. At the end of her fundraiser, Grace had raised over $28,000 to help provide essential services for veterans in need.

Jerry, Army & National Guard

"Boundaries, stability, and teamwork... these concepts get you moving, make it possible to look to a better day, and HVAF was my team and better days were ahead."

Goldie, Navy

"They are going to give you the tools so that you can help yourself get better."

Dallas, Army

"There is so much more to HVAF than just meeting immediate physical needs. There's true support, mental, emotional, and the realization that I'm not alone."

Thank you for changing the lives of veterans and their families facing homelessness.
